

Pool opens May23rd!!

.Notes from the Pool

Dear Emerald Pointe Friends,

It's that time of year again! Let's give many, many, many THANKS to Wanda, Elaine Bradley, Jim & Bonnie Lamarand , Mary & Ron Green, Fred Mappus and Jeff Kates for working relentlessly to bring a sparkle back to the clubhouse - much to the dismay of the spider population. I appreciate all your hard work.

Matheson Pools will again serve as our certified pool operator. If you have any concerns over the appearance of the water, please contact me immediately. Chemicals are typically added at night for water readiness the next opening day. Also, Busy Bee's Cleaning Service will make ONE weekly stop to clean the bathroom areas and provide general tidiness of the pool area and meeting room. Please help keep the clubhouse area clean throughout the entire week. Again, if you notice anything suspicious or "out of order", please let me know immediately.

Please remember that your key opens the front gate, side gate, bathrooms, and meeting room. The bathrooms are to remain unlocked at ALL times (DHEC requirement); however, the meeting room should be kept LOCKED when not in use - as there have been issues with vandalism in the past. If you are a new neighbor and have not received a key, please call and I will get one to you.

When using the pool, PLEASE remember to keep the top gate locked and the side gate UNLOCKED. This is a safety concern. Please be aware of the attached pool rules, party reservation requests and swimming lesson policy.

I will do my best to please everyone's expectations when using the pool clubhouse. Please direct any complaints or concerns to me ASAP.

Have a fantastic & water-logged summer!

Sincerely,

Monica Kates
Pool Clubhouse Chairperson
